

Woodturning Basics

Woodturning Basics

Section #87092

North Campus, Room NB-140

October 6 – November 17, 2016

Thursdays: 6:00 – 10:00 PM

28 contact hours/2.8 CEUs

Cost: \$130 (materials included)

Create beautiful wooden masterpieces using a lathe and other woodturning tools. You will learn the history of woodturning and receive a basic introduction to woodturning, tools, techniques, and products.

You will turn and create several different items during class, including: a honey dipper, candle stick, small platter, bowl, goblet, and lidded box.

Your instructors, from the Wilmington Area Woodturners Association (WAWA), will offer ideas on setting up a woodturning workshop and marketing your products. Cost includes: textbook, tools, equipment, and a wood blank kit required for class.

PRE-REGISTRATION REQUIRED: Register online at www.cfcc.edu/ce or register in person at the Community Enrichment department in Building "G" of the downtown CFCC campus located at 402 N. Front Street, Wilmington, NC. For more information regarding course content and registration, please call 910.362.7199. Class is limited to 10 students.
